Moving Right Along!!!

Thanks to a very generous gift from a longtime friend, Vida was able to purchase the former Marian University building located at 720 W. Association Drive in Appleton. The building has more than double the space that we presently lease. The costs associated with owning our building will be approximately what we paid to rent! God is SO good!

The renovation needed to operate our medical clinic and support services

programs is well underway. We are busy packing up 38 years of the business of Vida in anticipation for this historical move. Please pray that God will continue to provide for our financial and material needs at the new building. Please also pray that there will be minimal interruptions in service as we lock the door behind us on Wisconsin Avenue and turn the lights on at our wonderful new home! Check out our Facebook page for pictures of our new space and updates on our move. 🌱

More Bang for Your Sponsorship Bucks

Notably absent as a perk are free tickets to our spring banquet.

Your logo will be prominently displayed for all to see. You can commit to sponsorship on our website at vidamedicalclinic.org/donate/ or call the office at 920-731-4354 and ask to speak with Kristi Hoheisel.

Open House!

Our Together for Life fundraiser will look a little different this year thanks to COVID restrictions, but there are still lots of reasons we need to fundraise and celebrate! Rather than the traditional sit-down banquet, we are moving the party to a tent on our new campus! The evening will include self-guided tours of the new building and Van Abel's famous Broasted Chicken Dinner! Tours will begin at 4pm, with groups of 15 people going every 10 minutes,

until 8pm. Tour reservations will be required to ensure that this is a COVID friendly event. You are invited to join us for a buffet dinner before or after your tour time. Hand sanitizer will be available, and tables will be cleared and sanitized in between seatings. If you are interested in helping to underwrite the cost of this event or other Vida fundraisers, please contact the office for more information about becoming an Event Sponsor. 🍷

Tour reservations are as easy as one, two or three:

Scan the QR code by opening the camera on your smart phone, holding it over the QR code (don't take a picture) and clicking on the link that pops up. OR

Go to www.vidamedicalclinic.org and click on the pop-up notification to sign up for a tour time. OR

Email choslet@vidamedicalclinic.org or call the office at 920-731-4354 and ask to speak with Claire. Claire will assist you with registration via email or over the phone.

Church Partners

Together, we are a beautiful patchwork quilt of religious beliefs and traditions with a deep and abiding love of Jesus Christ that binds us all together in support of this mission to protect and respect the dignity of human life. Regardless of the legality of abortion, we desire to be united as brothers and sisters in Christ in our efforts to love pregnant women well, so they have the capacity to love themselves and the babies they carry. We launched our Church Partners program is the midst of the COVID pandemic,

reaching out to local churches to both thank churches for their past support, as well as to welcome new churches to partner with Vida. We are so thankful for all the support provided by our Church Partners. Thanks to their support, we were able to continue to serve our patients and clients when many of them needed us most! More information about this program and the names of our partners can be found on our website at vidamedicalclinic.org/church-partners/ 🍷

Chip In For Life 2021!

America's favorite pandemic pastime and Vida's fun-filled, fall fundraising event, the Chip In For Life golf outing, will be back and better than ever in 2021! Please save the date for our 5th annual golf outing on Monday, September 20th at the Fox Valley Golf Club in Kaukauna. Guests will enjoy our usual assortment of games on the course, the crazy antics of our roving golf ambassador, Dave Goeser, a box lunch, and back by popular demand, a COVID friendly outdoor tailgate-style buffet to bring a delicious end to a great day of golf! We hosted our very first outing at Fox Valley Golf Club and are returning just in time to enjoy their beautiful new patio. It will be the perfect place to enjoy dinner catered by our good friends at Van Abel's. So, whether you come for the food, golf, exciting auction or just to spend time with friends, this event is always a crowd pleaser! You can call the office to register or register online by going to vidamedicalclinic.org/events/chip-in-for-life/ 🍷

SAVE THE DATE

Welcome Dr. Boshoven

As of the first of this year, Dr. Alice Boshoven has graciously agreed to serve as Vida's new Medical Director. It is already clear to the medical team that we will be greatly blessed by her leadership and commitment to providing the highest professional standard of care. "Since joining Vida as Medical Director in January, Dr. Boshoven has gone above and beyond to assist Vida's nurses with patient workflows, up-to-date treatment recommendations and best practice leadership in order for our patients to receive gold-standard care," stated Vida Nurse Manager Heidi Weiland R.N. Dr. Boshoven practices medicine at Mosaic Family Health in Appleton and has affiliations with multiple Ascension hospitals in the Fox Valley. We welcome Dr. Boshoven to our Vida family and thank her for volunteering her professional expertise for the benefit of all we serve. 🍷

Many Thanks to Vida Movers and Shakers

Vida thanks Keller, Inc. and all the wonderful sub-contractors who have stepped up to the plate in a big way to get this job done with their pricing and can-do spirit! If given the opportunity to do so, please let these businesses know that all friends of Vida are grateful for their hard work on our behalf.

Acoustic Specialties

We would also be remiss if we didn't thank all of the individuals and families who have stepped up to help with everything from carpentry, painting, hauling new store fixtures, sorting donations, raking leaves, shoveling snow, demolishing ceilings, and even welding! We continue to be amazed at how God loves and protects this ministry. He knows and supplies for our every need and even a good share of our desires!

Thank You Dr. Faustich

For the past eight years, Dr. Mark Faustich served as Vida's Medical Director. He read hundreds of ultrasounds and was a critical member of our medical team. His presence on our team and the wisdom which he so generously shared with our nurses will be greatly missed. The Vida Board of Directors, as well our staff, will be dedicating one of our new, state of the art, ultrasound rooms in Dr. Faustich's name as a sign of our gratitude for his years of service. We wish Dr. Faustich a blessed and joy filled retirement. 🌿

HELP WANTED

Many of our beloved volunteers have been away from our Vida family for far too long! The global pandemic forced us to spread out, mask up, and pile high the plates of Vida staff!!! The time is arriving for us to open the doors wide to our volunteers with new and exciting opportunities to serve alongside of us in this important ministry. The greatest need we have right now is for help in our new store, *Little Dear Boutique*. We are also in need of volunteers in other areas including client services, fundraising, and facility support, just to name a few. Please check out the "gifts inventory" and volunteer application on our website to help ascertain how Vida can best utilize your skills and generous heart. You can also call our office at 920-731-4354 to talk with Lindsay. She will be happy to walk you through the application process. The old saying proves to be true, many hands make light work! 🌿
