Announcing Corporate Name Change

After 38 years of serving the Fox Valley community under the corporate name Fox Valley Mother and Unborn Baby Care Inc., we have changed our corporate name to Vida! Vida is the Spanish word for life. Vida's mission will continue to be, **"To empower individuals to make healthy, life-affirming decisions through education and medical services."** At Vida, we create opportunities to engage women and men in an ongoing conversation about the peace and joy that comes

with making healthy and life affirming decisions. We are abundantly blessed with kind-hearted and talented staff members and volunteers who love our patients and clients so they in turn have a desire and the capacity to love themselves, their significant others, and their children. Please spread the word that nothing has changed but our name. We remain grateful for the many and varied ways we are supported by this community including the promotion of the good work we do here! 🌱

More Bang for Your Sponsorship Bucks

Vida has three major fundraising events every year. We are totally dependent upon the success of these events to ensure that all of our services remain free of charge. We provide free and confidential pregnancy testing, Pap, pelvic and breast exams, STD testing and treatment for women and men, support services to pregnant women and parents of young children, and youth outreach through our one-of-a-kind high school sexual integrity program. We fully embrace every opportunity we have to educate and empower!

We have a new sponsorship program. We will be reaching out to potential sponsors once a year instead

of repeatedly before each event. In thanksgiving for your generous support, we will promote you on all of our event marketing materials and website for an entire year. Please prayerfully consider sponsorship at the following levels that include the listed benefits below.

You can commit to sponsorship on our new website at www.vidamedicalclinic.org, send an email to dev@vidamedicalclinic.org, or call the office at 920-731-4354. If you choose to use our website, sponsorship information can be found by clicking on the **Get Involved** tab. Thank you in advance for your support. We look forward to having you on team Vida!

Chip in For Life golf outing

Join Us For Our 5th Annual Golf Fundraising Event!

The golf greens are looking rather white right now with all the snow, but spring is just around the corner and we are already starting to plan our 5th annual Golf Fundraising Event, **Chip in for Life**. This fun event will be held at Ridgeway Country Club in Neenah on September 21st, 2020.

You can register as a foursome with three of your friends or as a single and we'll pair you up. Register early because space on the course is limited and fills up quickly. Brochures will be mailed to previous participants and available online three months before the event. You can

register on our new website at www.vidamedicalclinic.org, send an email to dev@vidamedicalclinic.org, or call the office at 920-731-4354. If you choose to register on our website, event information can be found by clicking on the **Get Involved** tab.

If you're not a golfer, you can join in the fun at the end of the day! Golf will be followed by dinner, raffles, and silent and live auctions. We will gladly accept new items, services or gift cards to assemble our raffle and auction baskets. Donations can be dropped off at our office or feel free to call to schedule a pickup.

Baby Bottle Drive

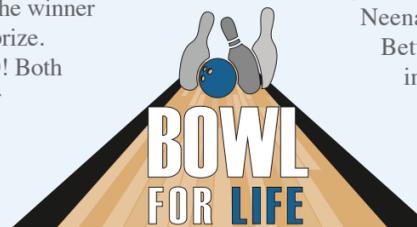

It takes a little change to make a big difference! Another way to support Vida is by organizing a Baby Bottle Drive in your church or school. We will gladly provide you with bottles to distribute to collect change, bulletin inserts and posters to advertise the drive. So use your common "cents" and get involved!

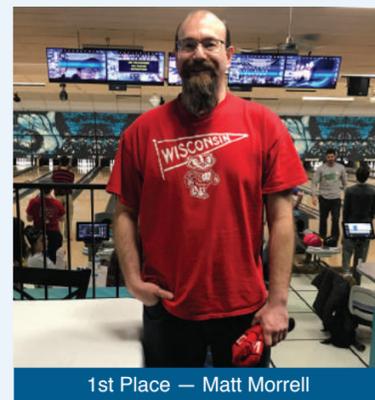

Bowl for Life

On February 8th, 2020, we held our annual Winter Fundraising Event, **Bowl for Life**, at the Super Bowl in Appleton. It was a day full of family fun including bowling, raffles, balloon animals, games, prizes, soda and Dilly bars!

We would like to thank all of our individual and team participants. Mathew Morrell was the winner of our individual fundraising cash prize. He raised \$560.00! Kaukauna Catholic Churches was once again the winner of the team fundraising cash prize. Their team raised over \$7,000! Both winners generously gave their prize back to Vida. Donations continue to trickle in, but at this time, Bowl for Life has raised over \$18,000!!!

Vida is thankful for all of those individuals and businesses who donated their time, talent and treasure to make this event a success. We'd like to thank our sponsor, **Sumnicht and Associates**, for their continued faithful support of this event. We would also like to thank The Juggler with the Yellow Shoes, aka Dan Kirk, for donating his time and talent making balloon animals for the children, Bill Vernes and Little Caesars Pizza, Dairy Queen on Commercial Street in Neenah for the Dilly Bars, and Betty Wyngaard for donating soda, water and juice boxes and for serving our hungry and thirsty bowlers! We are grateful for their support.

We Are Looking for "A Few Good Men"

It is not unusual to see a dad sitting in our Support Services reception area waiting for his girlfriend or wife to complete a session with a mentor. If we had a "few good men" to serve as male mentors, we could help to strengthen families by supporting and lifting up fathers. We will provide the training and the time commitment will be minimal. Please prayerfully consider helping us to grow this part of our direct services. If you are interested in serving as a mentor for men, please

contact Tara LaBerge at tlaberge@vidasupportservices.org or call 920-731-4354

Let's Get Together for Life!

We can't wait to celebrate our new corporate name with you at our annual Spring Fundraising Banquet, **Together for Life**, held this year on Thursday, April 16th at The Grand Meridian. You can register on our new website at www.vidamedicalclinic.org, send an email to dev@vidamedicalclinic.org, or call the office at 920-731-4354. If you choose to register on our website, event information can be found by clicking on the **Get Involved** tab. This year we're mixing things up a bit. We are infusing the fun spirit of our **Chip in for Life** fundraising event into our banquet by adding a smattering of raffle, silent and live auction items. The highlight of our live auction will be the rare opportunity for a one week stay in a beautiful vacation home on

Sanibel Island next winter!!! You will also have the opportunity to bid on a dinner for 12 at the home of our brand-new Executive Director, Anne Tretinyak. Anne is bringing in "celebrity" chefs from Vida so the meal is guaranteed to be a crowd pleaser. We hope to see you there!

Starry Knights

No, this is not the name for our next banquet. We're referring to The Knights of Columbus. These gentlemen have been zealous defenders of the sanctity of life and super star fundraisers. We were the grateful recipients of their support in 2012 when they raised over \$40,000 for the purchase of a new ultrasound machine. Thanks to their generosity, that machine has provided a life-saving window to the womb for the hundreds of patients we have served over the past 8 years. Our ultrasound machine is on its last leg and it's time to replace it. We are excited about a new machine. Current ultrasound technology has sharper images and pictures that can be delivered to phones to allow moms to easily view their baby's photo and also share the photo with others! If you are a member of the Knights of Columbus or know some-

one who is, please have them get in touch with us. We would love to share with them an exciting new way for the Knights of Columbus to continue to partner with us to make sure that every woman who walks through our door will have this service available to her. And, if you are not a member of the Knights, you can help us by supporting their fundraising efforts and most importantly thanking them for their generous ongoing support of our mission. They are valued members of team Vida!
