

VIDA STAFF/VOLUNTEER APPLICATION

I thank Christ Jesus our Lord, who has given me strength, that he considered me trustworthy, appointing me to his service. 1 Timothy 1:12

Our mission is to empower individuals to make healthy life-affirming decisions through education and medical services.

Dear candidate for employment or prospective volunteer:

Thank you for your interest in volunteering or working at Vida. Vida is a 501(c)(3) non-profit corporation dedicated to helping individuals who may be facing an unplanned pregnancy or parenting young children under difficult or challenging circumstances. Our Vida family is dedicated to empowering the men and women we serve through medical services, education, and material support.

Vida is both a ministry and a business. We deliver services that exceed the gold standard of care. Services are provided by licensed medical professionals in our clinic, trained and highly competent volunteer mentors and kind and compassionate volunteers who manage our store and receive and sort donations. We always warmly welcome new staff members and volunteers to our Vida family. We not only care about serving our patients and clients with hearts full of compassion and love, but we also care deeply about the members of our Vida team, staff, and volunteers. All members of our team play a vital role!

The attached application is divided into two parts. In the first part, we would like to invite you to introduce yourself to Vida through our formal application. In the second part of the application, we would invite you to identify in what area at Vida you feel YOU have been called to serve! We will gladly walk through the last part of the application with you if you are not sure.

Both volunteers and successful candidates for employment will go through orientation before providing direct or indirect services to patients and/or clients. Orientation will include assigned reading materials, job/volunteer training and/or job/volunteer shadowing. Your social security number is required to process a background check for all staff and volunteers. If you have any questions related to the application materials, please feel free to call the office at (920) 731-4354.
