You're invited to the inaugural Walk to Remember hosted by Vida on October 14.

Walk to Remember is a memorial walk to remember children lost through ***miscarriage, stillbirth, early infant/childhood death, abortion***, and other ***reproductive losses***. This walk is for all families who have lost children at any time, both recently or in the past; caregivers who are involved in the lives and support these families; and anyone interested in attending in support. Let us gather together to walk, remember, and offer support to one another.

This event will also include a memorial and baby naming ceremony.
